Girls Inspire Project

In light of the need to empower and support girls and women to achieve socio economic independence the IAE in collaboration with SIDO and KIHOWEDE is implementing a project on preventing Child early and Forced Marriage through Open Distance and Technology Based Education and Training in three selected regions. This is a three years project and is supported by Common Wealth of Learning.

The ultimate project outcomes are improved sustainable livelihoods, increased and equitable access to and use of quality learning opportunities and improved organizational capacity to leverage ODL and skills training.

Project Targets beneficiaries and location

This project targets 3,000 girls and women aged 10 to 25 years. It's operates in three regions each coupled with two Districts: Dodoma-Chamwino and Bahi District, Lindi- Kilwa and Ruangwa and Rukwa region target District are Nkasi and Kalambo
